

Curriculum Vitae

Terri Rebmann, PhD, RN, CIC

Title: Assistant Professor

Work Address

Institute for Biosecurity
Saint Louis University, School of Public Health
3545 Lafayette Room 465
Saint Louis, MO 63104
Office phone: (314) 977-8260
Fax: (314) 977-3234
Email: rebmannt@slu.edu

Current Position: Assistant Professor, Division of Environmental and Occupational Health, Saint Louis University School of Public Health

Education:

<u>Year</u>	<u>Discipline</u>	<u>Degree</u>	<u>Institution</u>
2006	Nursing	PhD	Saint Louis University
2006	Certificate in University Teaching Skills		Saint Louis University Reinert Center for Teaching Excellence
2004	Nursing	MSN Clinical Nurse Specialist Tract, Adult Health Infectious Diseases	University of Missouri, Columbia
2002	Nursing	BSN	Truman State University

Certifications:

CIC: Certified in Infection Control and Epidemiology, 1999 - current

Current Missouri RN Nursing License #124601. Obtained August 1992.

Experience:

- Developing and evaluating a Masters of Science in Biosecurity and Disaster Preparedness program through Saint Louis University, School of Public Health
- Researching the most effective methods to reduce health risks associated with acts of terrorism, naturally occurring infectious disease events, and other public health risks
- Publishing research findings in peer reviewed journal articles and abstract presentations at professional organization national meetings.
- Developing and evaluating healthcare and public health training programs

- Developing and presenting workshops on bioterrorism response, healthcare and public health preparedness, infection control, and infectious disease topics
- Creating and coordinating content and design of CD-ROM and Internet based education and reference material

Employment History:

August 2007 – current

Assistant Professor, Institute for Biosecurity, Saint Louis University, School of Public Health

3545 Lafayette Ste 300 St Louis, Missouri 63104

- *Teach Master's and PhD level courses on infectious disease emergency planning topics, such as Disaster Planning, Communicable Diseases and Infection Control, and Legal and Ethical Implications of Disasters
- *Write and publish scientific journal articles related to bioterrorism, pandemics, and emerging infections issues
- *Participate in research projects related to planning for biological disasters, including bioterrorism, pandemics, and emerging infectious disease outbreaks
- *Development of educational programs and materials related to bioterrorism, pandemics, and emerging infections

August 2005 - 2007

Associate Director for Curricular Affairs, Institute for Biosecurity, Saint Louis University, School of Public Health

3545 Lafayette Ste 300 St Louis, Missouri 63104

- *Develop, coordinate, and evaluate Master's level curriculum for the MS in Biosecurity and Disaster Preparedness program
- *Teach Master's level courses on infectious disease emergency planning topics, such as Disaster Planning, Communicable Diseases and Infection Control, and Legal and Ethical Implications of Disasters
- *Write and publish scientific journal articles related to bioterrorism and emerging infections issues
- *Participate in research projects related to bioterrorism and emerging infections
- *Development of educational programs and materials related to bioterrorism and emerging infections
- *Create and provide presentations related to bioterrorism

January 2001 – Present

Infectious Disease/Infection Control Consultant

- *Develop educational materials/modules for various nursing organizations and publishing companies related to infectious disease and infection control issues
 - Companies include Elsevier, Western Schools (SC Publishing), HCPro, and RBC Limited
- *Edit educational modules for various publishing companies and journals related to infectious disease and infection control issues

July 2000 – August 2005

Infectious Disease Specialist, Institute for Biosecurity, Saint Louis University, School of Public Health

3545 Lafayette Ste 300 St Louis, Missouri 63104

- *Write and publish scientific journal articles related to bioterrorism and emerging infections issues
- *Participate in research projects related to bioterrorism and emerging infections
- *Development of educational programs and materials related to bioterrorism and emerging infections
- *Create and provide presentations related to bioterrorism

January 2005 – Present

Infection Control Consultant, Planned Parenthood Federation

- *Moderate online Extranet site (“Ask the Expert”) on Infection Control information
- *Answer affiliate members’ questions regarding Infection Control topics

December 2005 – Present

Observer/Controller, Texas Engineering Extension Service, Texas A & M University

- *Observer/controller for disaster drills and exercises

May 2003 – November 2005

Contributing Editor, Briefings on Infection Control, HCPro

- *Contributing editor for a monthly infection control newsletter
- *Identify topics for articles and people to interview for the stories
- *Review articles for accuracy
- *Provide expert advice on infection control from a regulatory and training standpoint

March 1997 – July 2000

Infection Control Specialist Barnes-Jewish Hospital, St Louis, MO

306 S. Kingshighway St Louis, Missouri 63110

- *Participate in research projects related to Infection Control or Epidemiology
- *Development of educational programs related to Infection Control
- *Hospital Epidemiology

May 1996 – March 1997

Patient Services Supervisor Reproductive Health Services of Planned Parenthood, St Louis, Missouri

4251 Forest Park St Louis, Missouri 63108

- *Function as Director of Nursing over Medical Clinic (over 20 staff)
- *Quality Assurance/Risk Manager
- *Laboratory Supervisor
- *OSHA and Hazard Communications Program Manager
- *Education Coordinator for Medical Clinic
- *Research Coordinator for new medication protocol

January 1996 – May 1996

Clinical Research Coordinator AIDS Project of the Ozarks, Springfield, Missouri

1901 E. Bennett Ste D Springfield, Missouri 65804

- *Initiated clinical trials at this site
- *Recruitment and retention of clients
- *Case Management of clients on studies

November 1993 – May 1995

Charge Nurse Harry S. Truman Veteran’s Administration Hospital, Columbia, Missouri

800 Hospital Drive Columbia, Missouri 665201

- *RN on Cardiology step-down unit
- *Charge nurse over 6 staff and up to 27 patients

May 1992 – November 1993, Summers 1989 - 1991

Commissioned Officer, U.S. Public Health Service: RN U.S. Medical Center for Federal Prisoners, Springfield, Missouri

1900 W. Sunshine Springfield, MO 65807

- *RN on Medical Acute/AIDS floor
- *Charge nurse over 3 staff and up to 14 patients lieutenant

Teaching

<u>Dates</u>	<u>Course Title</u>	<u>Institution</u>
2006 – present	Communicable Diseases & Infection Control	Saint Louis University
2006 – 2008	Fundamentals of Disaster Planning	Saint Louis University
2008 – present	Disaster Planning for Infectious Disease Disasters	Saint Louis University
2006 – present	Legal & Ethical Implications of Disasters	Saint Louis University

Guest Lectures:

2010	Disaster Preparedness for Healthcare Agencies. For Dr Fernando Serrano, Health Management Policy. Saint Louis University School of Public Health
2010, 2009	Public Health Preparedness. For Dr Doug Adams, Public Health Administration, Saint Louis University School of Public Health
2009	Ethical Implications of Disasters. For Dr Joanne Langan, Nursing Certificate Program in Disaster Preparedness. Saint Louis University, School of Nursing
2009	Pandemic Preparedness. For Dr Roger Lewis, Saint Louis University School of Public Health
2009, 2008, 2007, 2006	Healthcare Associated Infection and Hospital Infection Control. For Infectious Disease Epidemiology, Saint Louis University School of Public Health
2008	Current Readiness for Infectious Disease Disasters. For Global Terrorism in the 21 st Century, Saint Louis University School of Public Health
2007	Bioterrorism & Infectious Disease Emergencies. For School of Social Work, Saint Louis University.
2007, 2006, 2005	Bioterrorism: Threat Analysis, Application of Infection Control Principles to SARS For Physician Assistant program, Saint Louis University
2006	Bioterrorism Preparedness. For Nursing Certificate Program in Disaster Preparedness. Saint Louis University, School of Nursing
2006	Role of the Public Health Department In Disaster Management. For Nursing Certificate Program in Disaster Preparedness. Saint Louis University, School of Nursing
2006	Smallpox. For Nursing Certificate Program in Disaster Preparedness. Saint Louis University, School of Nursing

Research Experience

Principal Investigator, Anne Zimmerman/American Nurses Foundation Grant, Nurses' Bioterrorism Preparedness and the Health Belief Model, 2005-2006, \$5,000.

Co-Investigator, Meridian Medical Technologies, Inc. The quantification of the time difference between methods of administering organophosphate antidotes. 2005 – 2006, \$40,000.

Co-Investigator, Department of Homeland Security. Protecting the human assets: Evaluation of healthcare worker ability to wear the recommended PPE during a pandemic influenza event. 2009 – 2011. \$350,000.

73. **Rebmann, T.**, Carrico, R., and English, J. Infection Prevention and Control Competencies for Nurses. 35th National Conference on Professional Nursing Education and Development. Kansas City, MO. October 16 – 19, 2008.
74. **Rebmann, T.** Healthcare Associated Infections and Hospital Outbreaks. Guest lecturer in Infectious Disease Epidemiology course at Saint Louis University in the Masters of Public Health program. November 24, 2008.

75. Carrico, R., **Rebmann, T.**, and English, J. Infection prevention and control competencies for hospital-based healthcare workers. Association for Professionals in Infection Control and Epidemiology's 36th Annual Education Conference and International Meeting. San Antonio, TX, June 2009.
76. **Rebmann, T.** Pandemic Planning. A Webinar hosted by the Association for Professionals in Infection Control and Epidemiology (APIC). May 7, 2009.
77. **Rebmann, T.** Ask the Expert: Swine H1N1 Influenza. An online educational seminar administered for FaceBook for the Saint Louis Science Center. St Louis, MO. Monday, May 11, 2009.
78. **Rebmann, T.** Infection Prevention Competencies and Update on Emergency Management. Association for Professionals in Infection Control and Epidemiology Kansas City Chapter. Kansas City, MO. Tuesday, May 12, 2009.
79. **Rebmann, T.** Human Resources Planning for Pandemics. Society for Human Resource Management, Decatur Chapter. Decatur, IL. October 13, 2009.
80. Russell, J., and **Rebmann, T.** Alternate Care Sites: Infection Prevention and Control. A Webinar hosted by the Association for Professionals in Infection Control and Epidemiology (APIC). January 14, 2010.
81. **Rebmann, T.** Pandemic preparedness: Implementation of infection prevention emergency plans. Session title: The Changing Face of Influenza: The Global Impact of a Novel Strain. A Plenary session at the Fifth Decennial International Conference on Healthcare Associated Infections 2010. Atlanta, GA. March, 2010.
82. **Rebmann, T.** Infection Prevention for Ambulatory Care Centers During Disasters. A Webinar hosted by the Association for Professionals in Infection Control and Epidemiology (APIC).
83. **Rebmann, T.**, and Wagner, W. Evidence-Based Emergency Management for Novel H1N1 and Other Biological Events. Workshop presented at the Association for Professionals in Infection Control and Epidemiology's 37th Annual Education Conference and International Meeting. New Orleans, LA. July 2010.
84. **Rebmann, T.** Planning for infectious disease disasters in ambulatory care centers. A Webinar hosted by the 2010 Teleclass Education Lecture Series. September 9, 2010.

CD-ROM Based Education Programs

1. Bioterrorism Toolkit: Key Resources for Infection Control Professionals and Healthcare Workers. 2001. Role: Content creator, project manager, editor.
2. Bioterrorism Toolkit II: Key Resources for Infection Control Professionals and Healthcare Workers. April, 2002. Role: Content creator, project manager, editor.
3. Clinical Description and Epidemiology of Bioterrorism Agents: Anthrax, Smallpox, and Plague. April, 2002. Role: Content creator, project manager, editor.
4. Public Health Preparedness Toolkit: Key Resources for Public Health Professionals. April, 2002. Role: Content creator, editor.

5. Role of the Infection Control Professional In Bioterrorism Preparedness. May, 2003. Role: Content creator, project manager, editor.
6. Smallpox: Clinical Description & Recommendations for a Vaccination Program. February, 2003. Role: Content creator, editor.
7. Bioterrorism Preparedness for Nurses. January, 2005. Role: Content creator, project manager, editor.
8. Patient Decontamination. February, 2005. Role: Content creator, editor.

Additional Professional Training:

- **The Fundamentals of Surveillance, Prevention, and Control of Health Acquired Infections**, Association for Professionals in Infection Control and Epidemiology, St Paul, MN, July 21 – 25, 1997
- **Health Care Construction and Indoor Air Quality**. Minneapolis, MN, September 1997.
- **Teams, Projects, Results**. Quality Management Principles. Barnes-Jewish Hospital, December, 1997.
- **Epidemiology and Quality Improvement Training, BJC Healthcare Consortium**, Dr Terry Leet, August 1998
- **Public Health Effects of September 11th**. New York, New York, September, 2002.
- **Syndromic Surveillance Conference**. New York, New York. November, 2002.
- **Disaster Nursing Education in 2002: Learning From Each Other**. Henrietta Szold Hadassah-Hebrew University School of Nursing. Jerusalem, Israel. October 19-23, 2002.
- **Hospital Emergency Incident Command System**. National Disaster Medical System National Meeting. Reno, NV. March 9, 2003.

Journal Reviewer

- 2009 – present Australasian Emergency Nursing Journal
- 2005 – present Research in Nursing and Health
- 2004 – present Journal of Advanced Nursing
- 2004 – present Infection Control and Hospital Epidemiology
- 2002 – present American Journal of Infection Control

Continuing Education/Online Journal Reviewer

- 2004 – present Western Schools (nursing series) <http://www.westernschools.com>

Service Opportunities: Offices & Positions Held

- 2009 – current Member, Editorial Board for American Journal of Infection Control (AJIC)
- 2009 – current Member, International Editorial Board for Australasian Emergency Nursing Journal
- 2009 – current President Elect, APIC Chapter 73
- 2009 – current Volunteer, BJC Hospice
- 2009 Member/presenter, Rockwood School District Career Fair
- 2006 – 2009 Member/presenter, Rockwood South Middle School Science Career Day

- 2004 – current Member, APIC Emergency Preparedness Committee
- 2006 – 2008 Chair, APIC Emergency Preparedness Committee
- 2005 – 2006 Co-Chair, APIC Emergency Preparedness Committee
- 2005 – current Volunteer, Bowles Elementary BookTalk leader
- 2001 – current Volunteer, Outreach education with elementary students on hand hygiene practices
- 2000 – 2004 Member, APIC National Bioterrorism Working Group
- 2004 – 2005 Member, APIC National Bioterrorism and Emerging Infections Task Force
- 2005 – current Advisory Board member, HcPro's Briefings on Infection Control
- 2004 Course Coordinator, Association for Professionals in Infection Control and Epidemiology Bioterrorism Course
- 2002 – 2004 Smallpox Consultant, St Louis Region Metropolitan Medical Response System
- 2002 – 2004 Treasurer, Local APIC Chapter 73
- 2002 – 2004 Treasurer, Bi-State Infectious Disease Conference Planning Committee
- 2002 – 2003 Bioterrorism/Infection Control Consultant, National Veterans Administration Security Assessment Task Group

Selected Honors and Awards

Member, Sigma Theta Tau International

Anne Zimmerman/American Nurses Foundation Scholar, 2005

Quality Leadership Award, Barnes-Jewish Hospital, 2000

Quality Leadership Award, Barnes-Jewish Hospital, 1999

Grace Devitt Nursing Writing Foundation Scholarship Award, 1992

National Collegiate Nursing Award winner, 1991

George Washington Carver Award, 1988
